CLOUD SERVICES

Setting up Cloud Account - AWS

Create your account

- Provide a valid email address and choose a password
- Provide your contact information and set your preferences

Add a payment method

- Provide information about your payment method

Verify your phone number

- Provide a phone number you can be reached at in the next few minutes
- Type the on-screen phone number into your phone's keypad

Choose an AWS Support plan

- Choose one of the available AWS Support plans

Create an Account

1. Open the [Amazon Web Services home page](#).
2. Choose Create an AWS Account.
3. Enter your account information, and then choose Continue.

Be sure that you enter **correct email** address. If you enter your incorrect email address, you can't access your account.

CLOUD SERVICES

Setting up Cloud Account - AWS

4. Choose Personal or Professional.
Note: Personal accounts and professional accounts have the same features and functions.
5. Enter your company or personal information.
6. Read and accept the [AWS Customer Agreement](#).
7. Choose Create Account and Continue.

You receive an email to confirm that your account is created.

Add a payment method

- On the Payment Information page, enter the information about your payment method, and then choose Verify and Add.

Important: You cannot proceed with the sign-up process until you add a valid payment method.

Verify your phone number

- Choose your country or region code from the list.
- Enter a phone number where you can be reached in the next few minutes.
- Enter the code displayed in the captcha and then submit.
- In a few moments, an automated system contacts you.
- Enter the PIN you receive, and then choose Continue.

CLOUD SERVICES

Setting up Cloud Account - AWS

Choose a Support Plan

- Choose **AWS Free Tier**
- 12 months free access
- Caution: Restricted for certain services. Read the pricing before using any of the services

Wait for account activation

- After you choose a Support plan, a confirmation page indicates that your account is being activated. Accounts are usually activated within a few minutes, but the process might take up to 24 hours.

THANK YOU
